BUG BUSTER INSECT KILLER

\$7.88

This water-based insecticide is formulated with the botanical insecticide Pyrethrins, an extract from the Chrysanthemum

flower, for quick killing of flying insects. Bug Buster kills flying insects such as clothes moths, stable flies, horse flies, face flies, deer flies, house flies, gnats, flying moths and many other listed flying insects. This insecticide can be used in food and nonfood areas of food processing plants, in animal quarters and on livestock. Simply spray the area where flying insects are found or may hide.
